

OUR VISION

Our mandate is to develop modern strategies and techniques of proclaiming the gospel without watering the message as to fulfil the prophecy of the end time army stated in Joel 2:2-11.

The vision of the college is to raise worthy and thoroughly furnished ambassadors of Christ for all nations. So our programmed are designed to take Christian laymen from vision to reality and action. Due to these aspirations the school has trained and ordained many workers for the ministry of our Lord Jesus Christ and are already making a difference wherever they are.

OUR CONDUCT

Since it is a Bible Training Institute, our Assessment is not based on precepts and ability to pass examinations only, but most importantly the morality, character and tenacity of each student. The college expects students to live a transparent, honest, godly and exemplary life both in word and in deeds. We expect a very high standard of discipline and integrity in every aspects of the student life.
